

Funds for  
Restoration and  
Enhancement of the  
Earth  
Program

May 31, 2017

Ms. Keely Flanagan

**RE: Yu-Hwa Terry Ni FREE Program Scholarship**

Congratulations Keely!

I am pleased to announce that you have been selected for a \$1,000 scholarship from the **Funds for the Restoration and Enhancement of the Earth (FREE) Program**. The scholarship is administered by the Wisconsin Society of Professional Engineers (WSPE) / Engineers Foundation of Wisconsin (EFW).

Please visit our website - <http://freeprogramscholarship.org/> - which has information about the FREE Program including the mission statement, founder, co-founder and board members, scholarship recipients and the panel of reviewers.

Your academic excellence, balanced ACT results, well-rounded activities, and desire to design ways to have clean, safe water for people to drink through a career in environmental engineering are indicators that you will develop into a thoughtful and influential engineer.

Katie Jelacic, the Secretary/Treasurer of the EFW Board will be contacting you and provide you procedural details.

Sincerely,

*Yu-Hwa Terry Ni*

Yu-Hwa Terry Ni, P.E.  
FREE Program Founder/Executive Director
